

22q11DS European Conference

Dublin, November 18-19 2023

CALL FOR ABSTRACTS

5th European 22q11 Conference

Dublin, November 18-19 2023

Hyatt Centric Hotel Dublin

Are you a researcher working in the field of 22q11.2 deletion syndrome?

22q11 Europe has been created by fourteen 22q11 national associations around Europe. The goal of 22q11 Europe is to create a 22q11 community at the European level and to disseminate scientific knowledge to the families of affected individuals. 22q11 Europe organizes a biannual meeting with international experts in the field.

All the researchers who are interested to present their recent findings at this occasion are welcome to submit a structured abstract of maximum 250 words to

Maude.Schneider@unige.ch

Deadline for submission: July 1st 2023

Local organizer: 22q11 Ireland
